NEW DAY CHRISTIAN PRESCHOOL

November 2009

**A**s we celebrate Thanksgiving this month, we have much to be thankful for. Thank you to everyone who helped make our bulb fundraiser a huge success. Thank you to all that came to our field trip to Gro-Moore. The weather was perfect and the children were great listeners. We hope you are enjoying the harvest season. The children will be learning about Thanksgiving and what it means to share and be thankful for all that we are blessed with. We will be learning shapes as well.

## Can You Help?

Due to unforeseen circumstances, such as illness, it may be necessary for one of us to be absent. By law, we need 2 adults in the classroom. If you would be able to help out in the classroom, possibly with last minute notice, please let us know.

## What's New

The **three year olds** are working hard on name recognition, and making their ABC flash cards as we learn our letters. They play very well together and it's nice to see them help each other when the need arises.

Our **four year olds** are working hard also. They print their name everyday and are mastering cutting - remember "thumbs to the sky". They have started making their own ABC book with every letter we learn. We enjoy watching their independence blossom over time.
