NEW DAY CHRISTIAN PRESCHOOL

October 2009

**O**ctober brings many new changes in our world. The changing of the seasons makes this the perfect time to learn our colors. Please refer to our calendar and encourage your child to wear something in the color of the day.

### Happy Birthday

<b>Samantha Striemer</b>	<b>4 Oct. 15</b>
<b>Sophia Striemer</b>	<b>4 Oct. 15</b>
<b>Gianna Tantalo</b>	<b>3 Oct. 19</b>

### Field Trip

We will be meeting at Gro-Moore Farm (2811 E. Henrietta) on Thursday, October 8th. The 3's tour begins at 9:30am and the 4's tour begins at 12:30pm. The cost is \$5 per child (chaperones and children under 2 are free). Each child needs a parent/guardian to accompany them. The tour lasts 1 1/2 hours and is our class for the day. We do go rain or shine so please dress appropriately.

### Harvest Party

Are parties focus on the fun of harvest time and autumn. On October 29th please have your child arrive wearing a non-threatening costume over their play clothes. We will be parading for the parents once everyone arrives. You are welcome to pass out treats at our parade. After the parade, we hold a regular school day with a party and fun games. There will be sign up sheets for snacks and drinks on the bulletin board.

### Book Orders

due Thursday, October 15. Please no cash - checks only.

### Web Site

Check out our website at [www.parkridgefmc.org](http://www.parkridgefmc.org). Throughout the year, newsletters and pictures will be posted.

### School Pictures

Thursday, October 15 is school picture day. Please refer to the attached letter for more information.

### What's New

**3's** - the children will begin making their own flash cards as we learn each letter. We will begin learning a new letter every week. They are working very hard on name recognition and learning to share and take turns.

**4's** - gym day starts this month. Every Monday we will have gym. Sneakers (not crocs or flip-flops) are recommended. Your children will be making their own ABC Book as we learn our letters and working in group situations. We will begin learning a new letter each week. We have also started working with scissors. This is an activity they can do at home, "Thumbs to the sky".

The children adjusted very well to their new surroundings. We had fun with our nursery rhymes and look forward to seeing the changes of autumn.
