

## Mission

To assist parents in the nurture of their children by equipping each child with the necessary tools and Christian values which will help him/her succeed through all areas of development.

**New Day Christian Preschool**, a ministry of Park Ridge Free Methodist Church, reflects our desire to invest in you, your child, and our community as an expression of our gratitude to God for all He has invested in us. Each day is a new day of opportunity and possibility.

## Curriculum

The curriculum is designed to be hands-on and developmentally appropriate, stressing **Kindergarten readiness**.

Our monthly newsletter will give a schedule of activities and themes for parents to be aware of their child's activity.

Each theme is chosen to encourage children to discover, imagine, and expand their knowledge. Field trips will also be arranged to coincide with various unit themes throughout the school year.

Parents will be given prior notice of field trips.

✚ **Academics:** Individual challenges will be provided for each student. They will learn through math, science, and the beginnings of reading and writing.

✚ **Spiritual:** Children will be taught that God is our heavenly Father through praise and prayer. We focus on the Golden Rule with emphasis on respect for self and others.

✚ **Social/Emotional:** Through interaction with other children, they will be taught the value of

friendship, love, sharing, and self-control. Attention is given to language development by providing varied opportunities for children to express their thoughts and ideas.

✚ **Physical Development:** Opportunities are provided to enhance both fine and large motor skills through stations, crafts, free play, and gym.
